CHRONICLE 1979

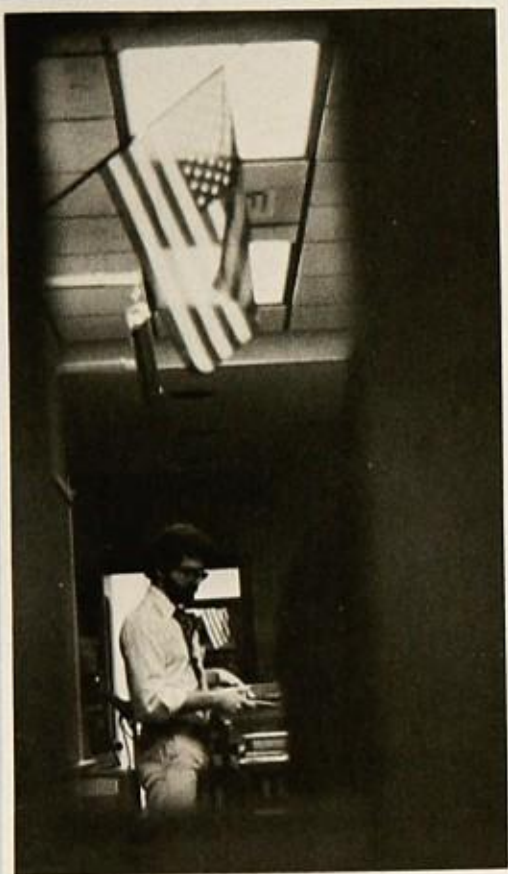

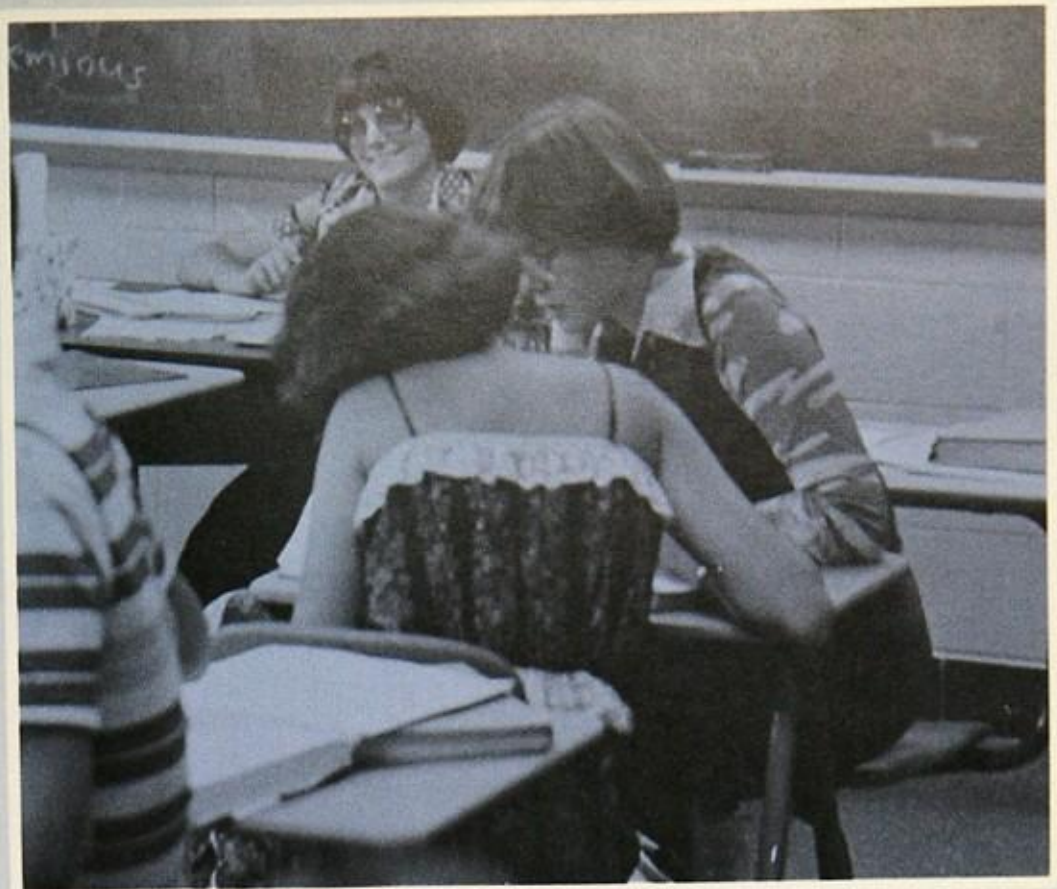

**Southington High School
Southington, Connecticut**

"Those who bring sunshine to the lives of others cannot keep it from themselves."
Sir James Barnei

You, Mr. Camp. and Mrs. Schumann, have brought sunshine to the class of '79. Without your support the class of '79 would not be so successful. You show us laughter and at the same time leadership. You make us work to achieve our goals, and without you two behind us our years at S.H.S. would not be as memorable as they have been. We extend to you our deepest thanks and gratitude for being our sunshine.

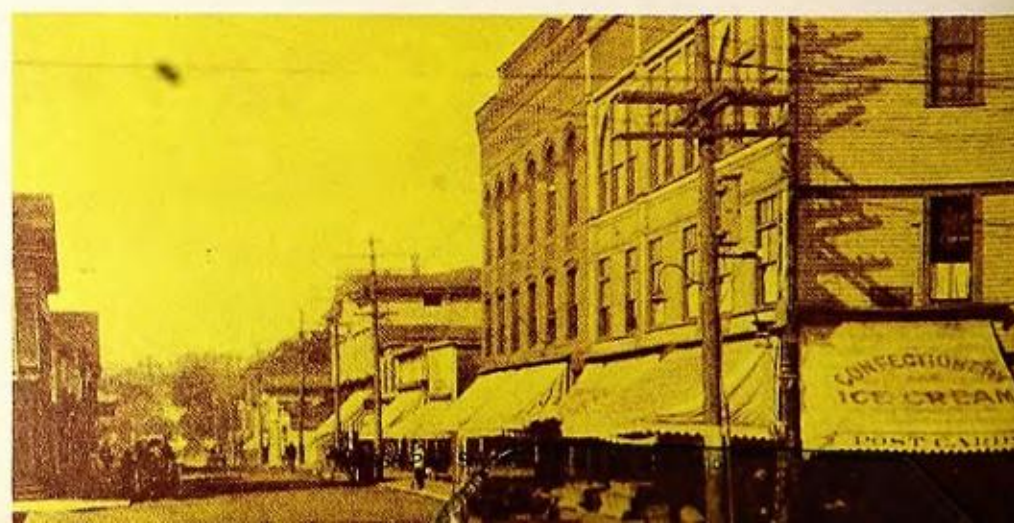

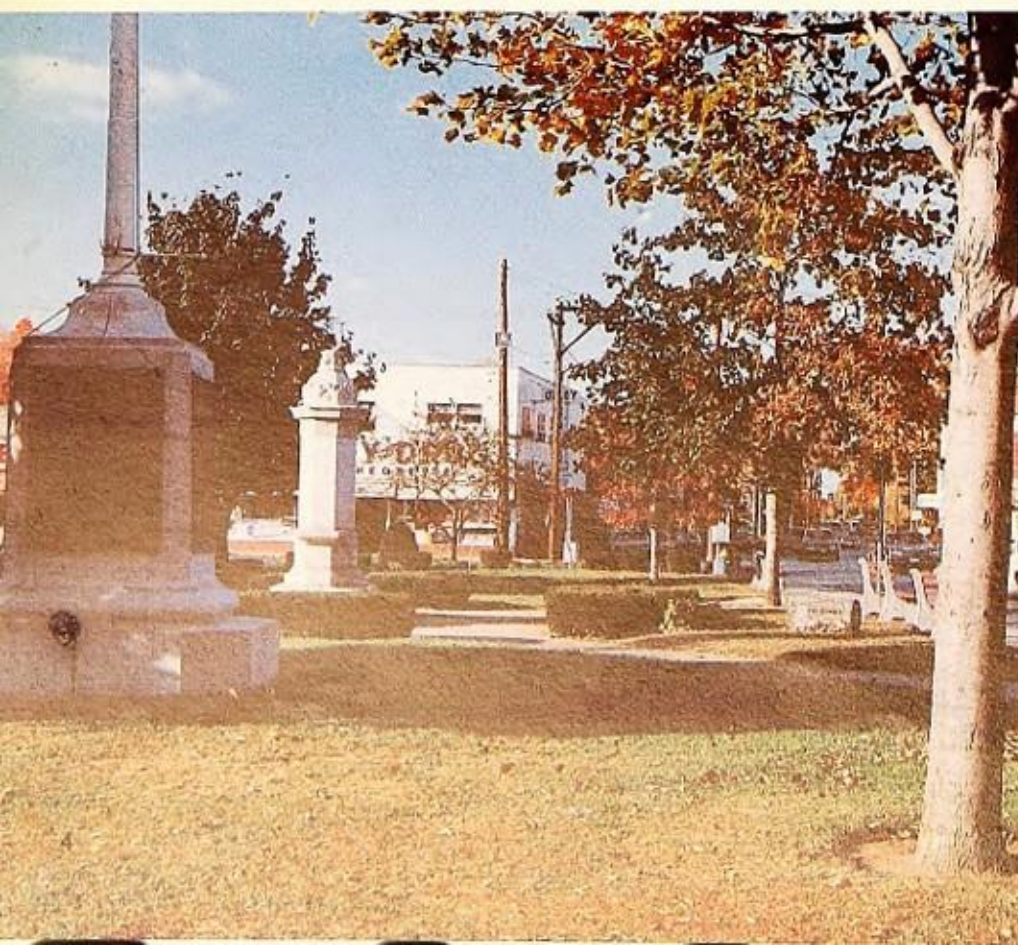

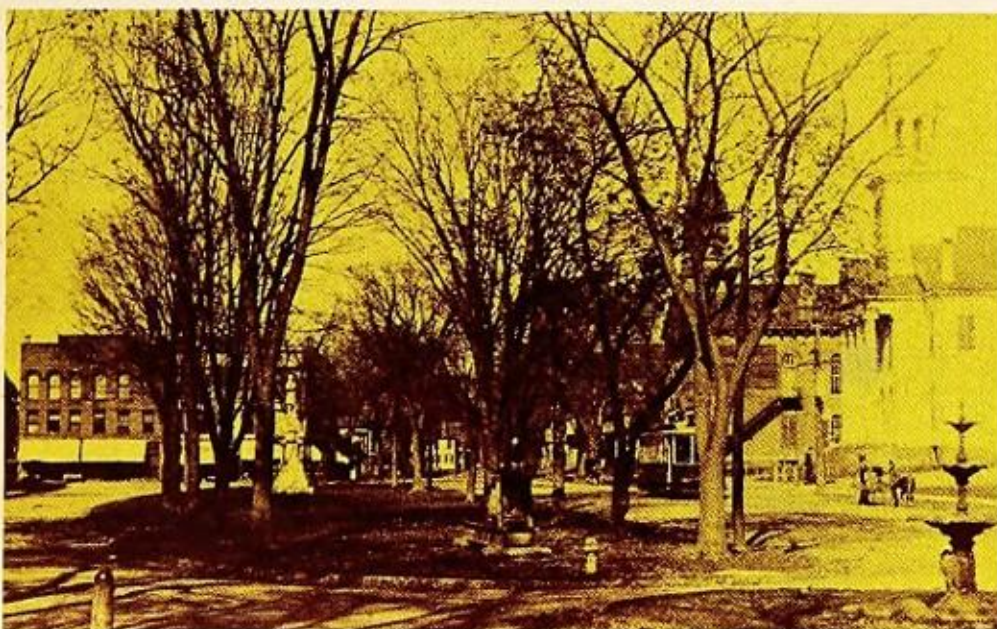

Jeanne Schumann and Greg Campagnano.

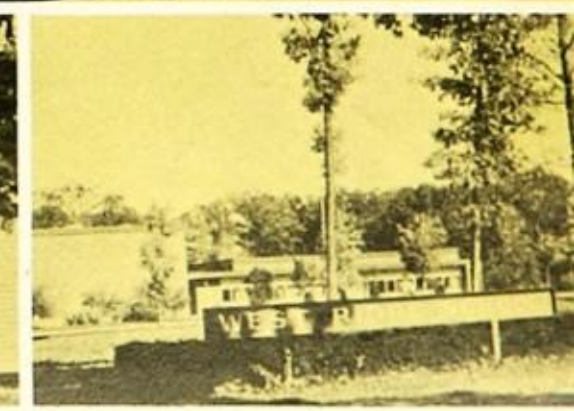

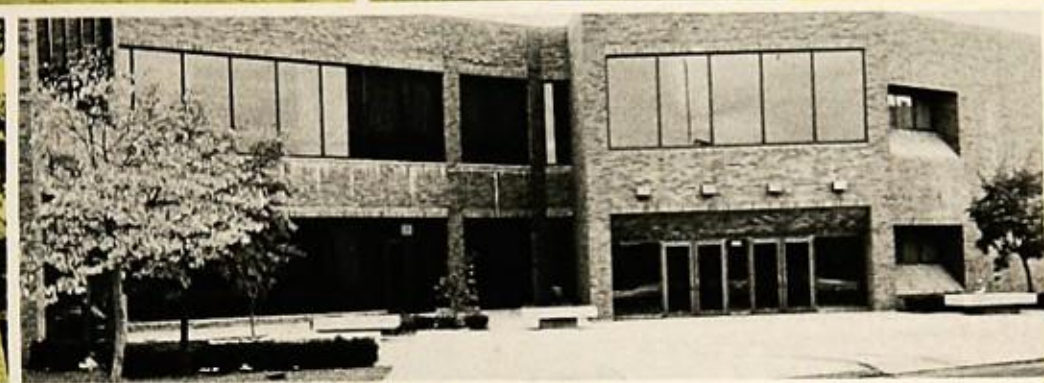

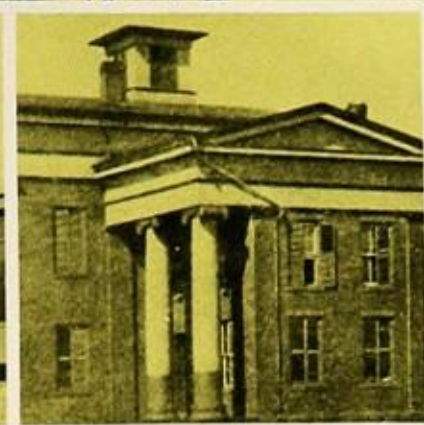

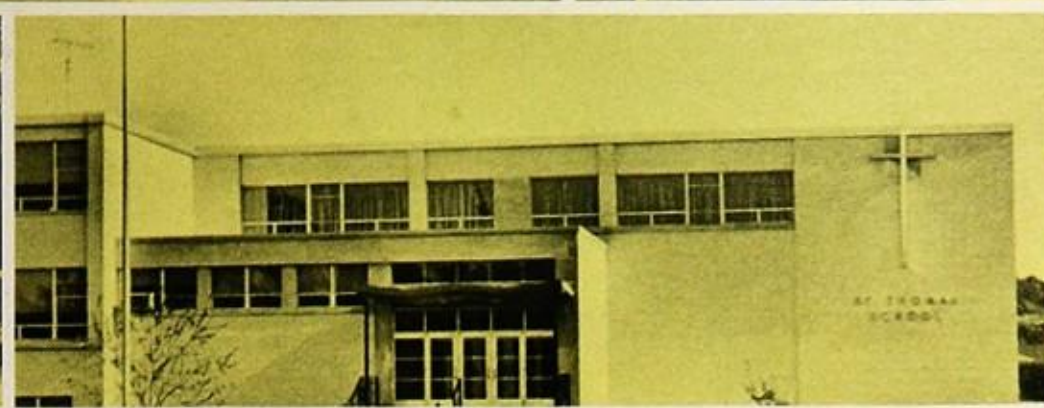

We would like to thank you Miss Benjamin for putting all your time and effort into making this book a success. You are not just a teacher but a friend to all of us. You brought ten people together, and together we created this book with your guidance. The class of '79 thank you so much for your dedication and hard work.

Deborah Benjamin

He that has found a way
to keep a child's spirit
easy, active, and free, and
yet at the same time to
restrain him from many
things he has a mind to,
and to draw him to things
that are uneasy to him,
has, in my opinion, got the
true secret of education.

AND WHAT A TIME IT WAS ...

Shirley M. Kordy 1979

Dear Seniors,

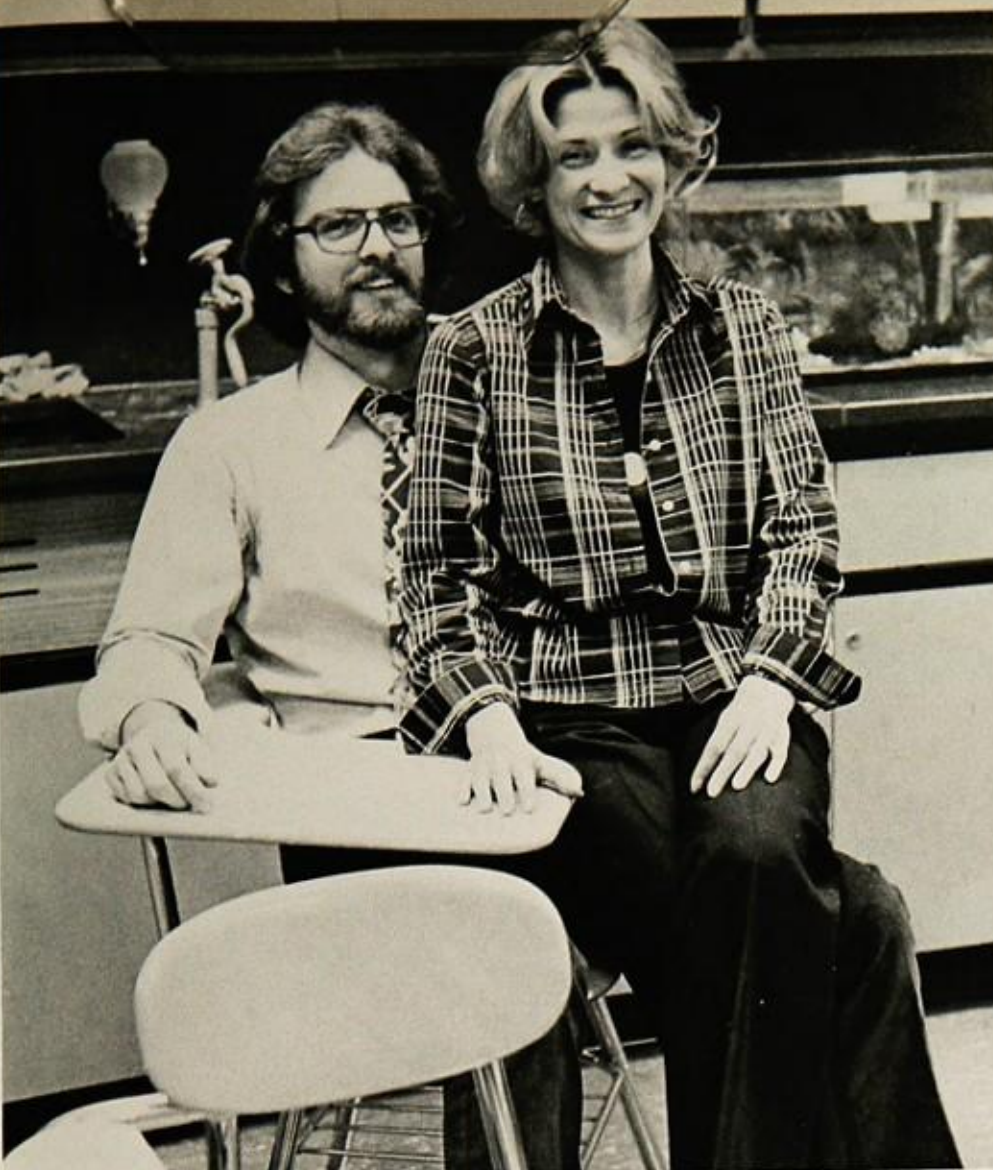

We've come to a time in our lives to reminisce and to dream, to look back on the three great years we've had together and to look ahead to the challenges that lay before us. We have worked together, bound by an unforgettable friendship, to make the Class of '79 a very successful one. Hopefully, we will use our experiences together to help us find the skill and determination necessary to succeed in our future goals.

I only wish that through both the successes and the setbacks on the road ahead, we will remember the times we shared, and the friendships we made, and that we will never forget the super Class of '79.

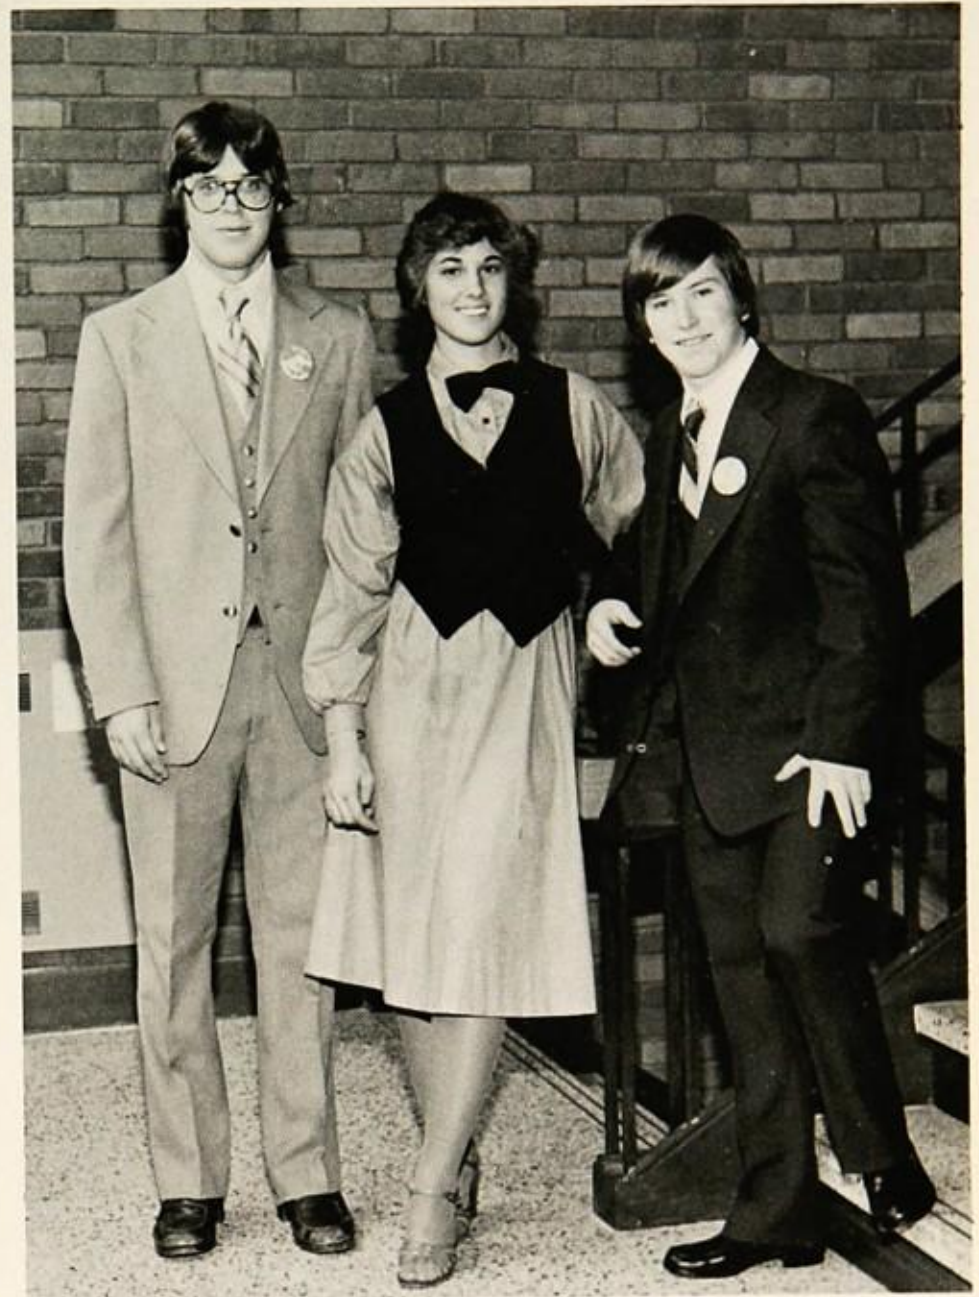

Sincerely,

Phil Savage

In the clamor of the days I have walked your streets,
And I have found peace among you.

In the hours of despair I have heard your cries,
But have found strength within you.

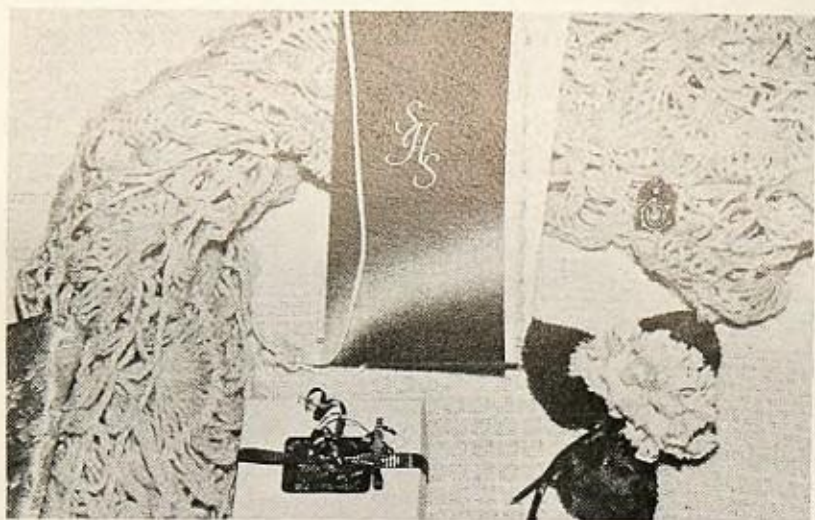

In your dreams of tomorrow I have shared your desires, And I
have found hope for the future.

Your heartbeats have resounded within me;
Your breath has warmed my soul.
May the links of our friendships never loosen,
Nor the wings of our love lose a feather.

*With love,
Jeanne Schumann*

Evergreen

November 19, 1978

The evening of November 19, 1977 was perfect for the Junior Prom. Stars filled the sky, music filled the air, and the mood of Evergreen filled the atmosphere.

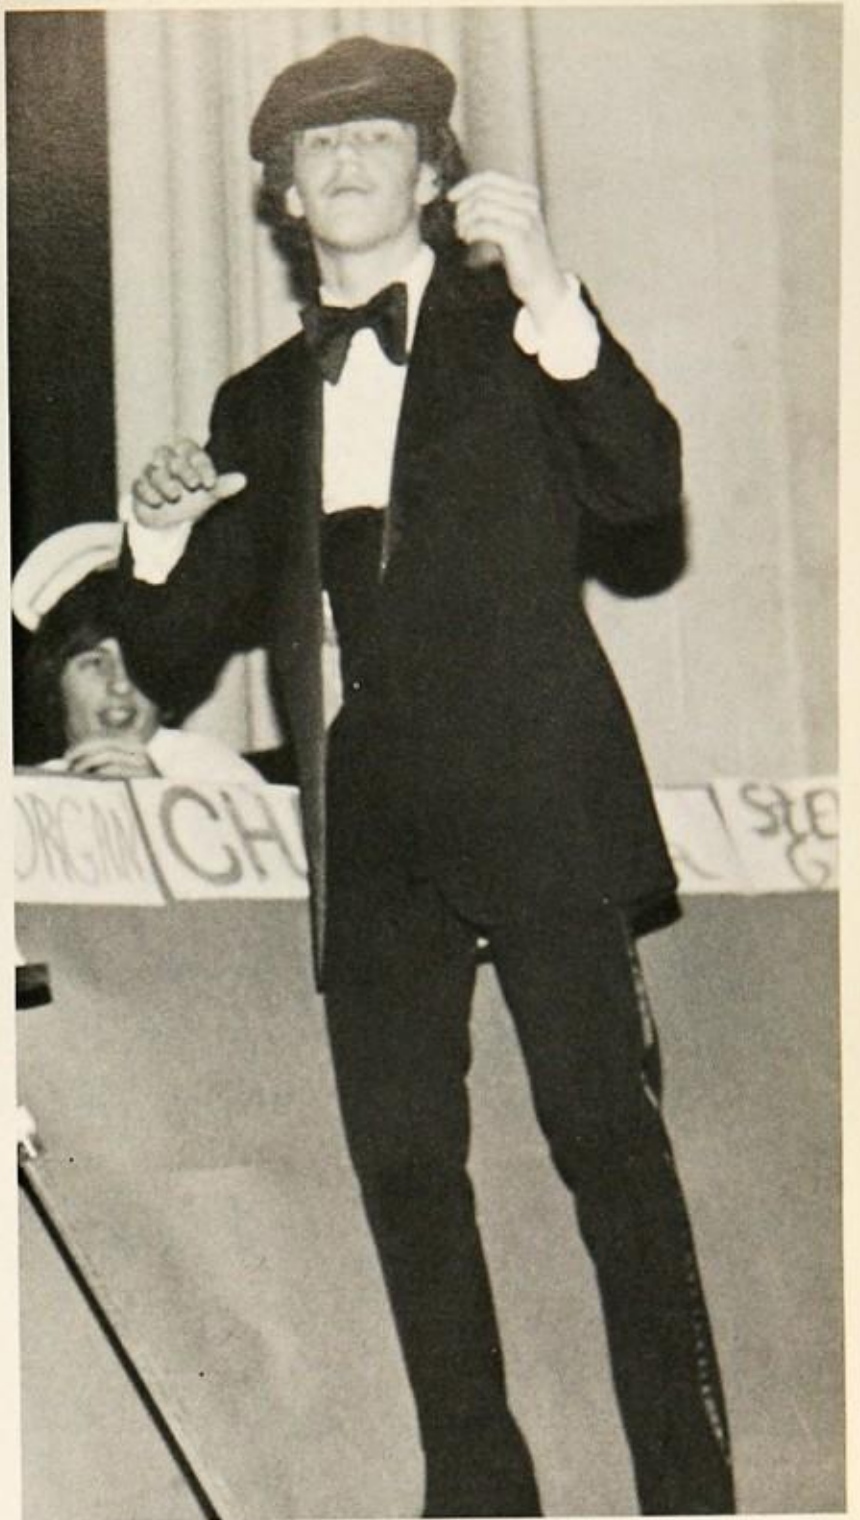

The Wrong Show

March 10, 1978

The Class of '79 worked hard to produce a Junior Show.

The cast of "The Wrong Show" rehearsed for weeks to produce a Junior Show of all Junior Shows. They performed to a full house and nearly brought down the roof with laughter. It proved to be a complete success.

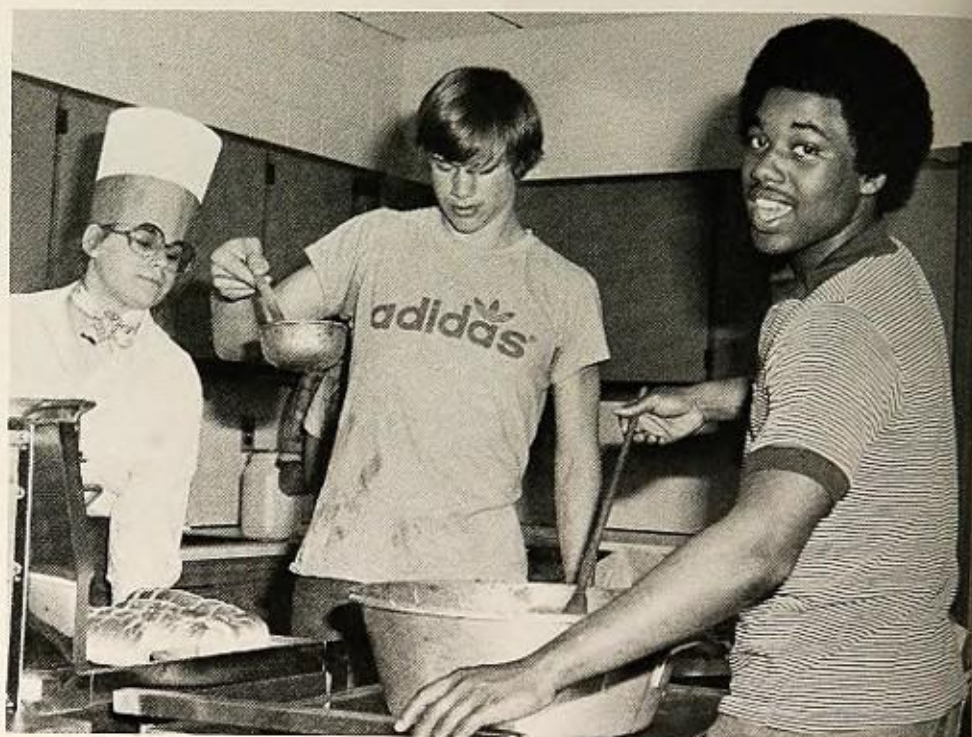

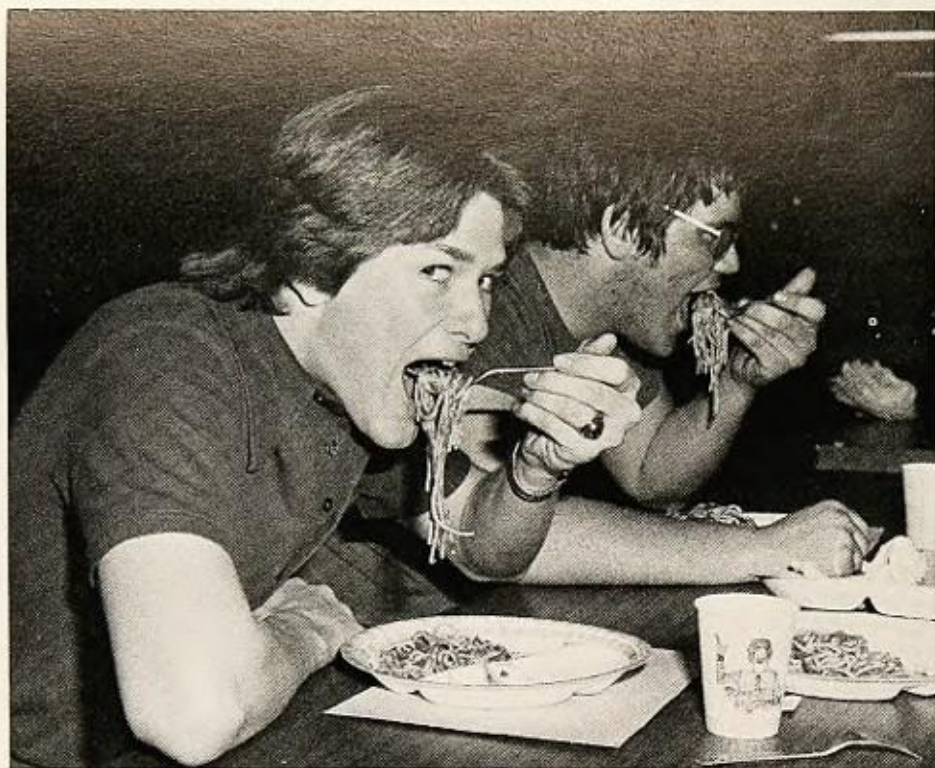

Spaghetti Supper

May 12, 1978

Once again the Class of '79 came together; this time to turn the SHS cafeteria into an Italian Restaurant. The menu being Spaghetti!!

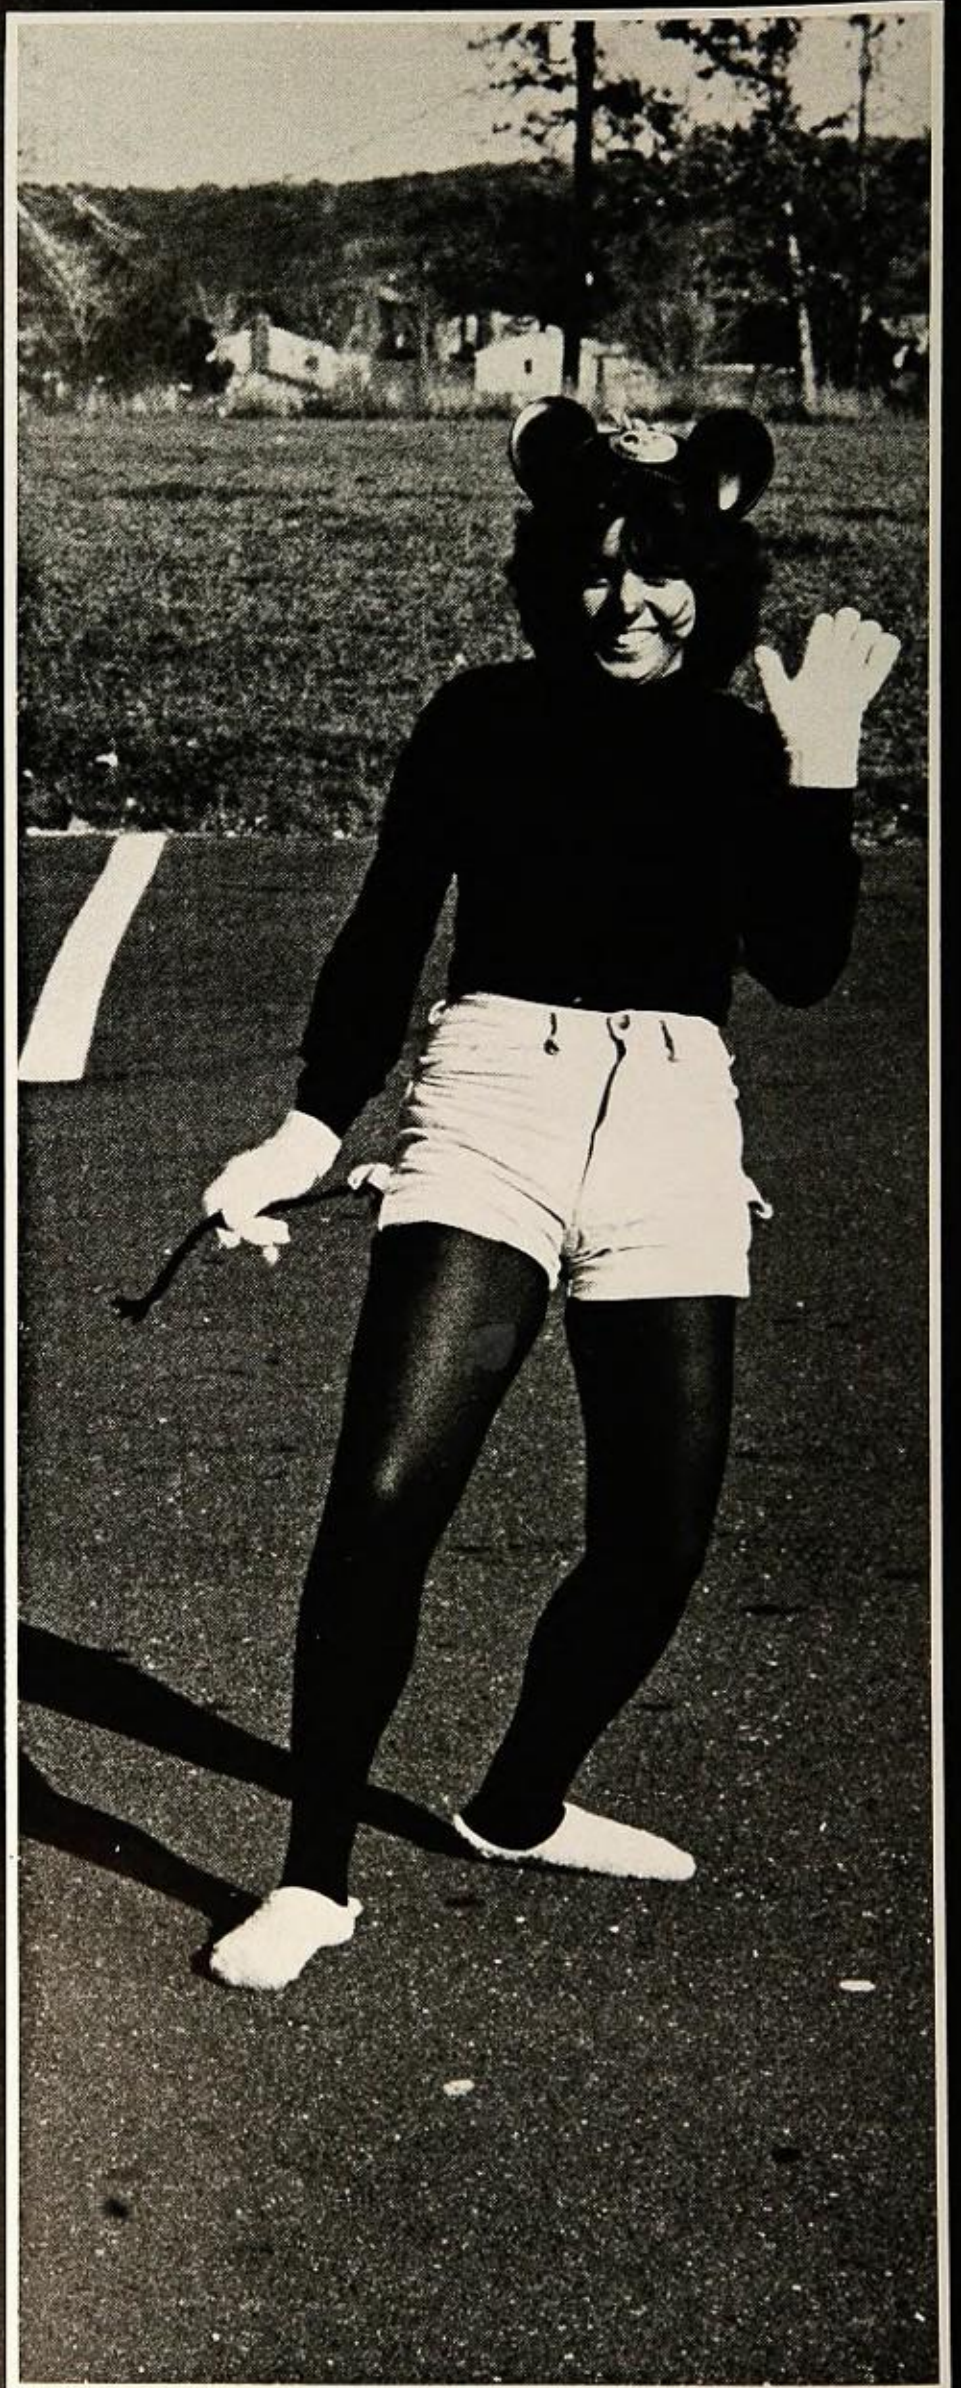

Homecoming

November 3, 1978

The votes were cast, counted, and recorded, and the result was the crowning of Senior, Sherri Secondo as Homecoming Queen for 1978. She was crowned by Becky Florian, the 1977 queen and her court included: Seniors; Doreen Martino, Michelle Gendron, Junior: Patty Cunningham, and Sophomore: Tracy Oshana.

In Memory of:

David Perras

Nicholas Romano

Let not the waves of the sea separate us now, and the years you have spent in our midst become a memory.
You have walked among us a spirit, and your shadow has been a light upon our faces.
Much have we loved you. But speechless was our love, and with veils has it been veiled.
Yet now it cries aloud unto you, and would stand revealed before you.
And ever has it been that love knows not its own depth until the hour of separation.

CONGRATULATIONS AND BEST WISHES
to the class of 1979

In many ways we feel we share the milestone you are reaching at graduation. You and your family and friends are our customers. Some of you have worked with us. And some of you have parents or relatives or friends who are part of our staff. So, for all those reasons, we are especially happy to share your pride, your feeling of accomplishment and your sense of anticipation. We hope we'll continue to be a part of your future.

**I have learned no new alphabet this week
No new yardstick different from the last time
out.
The old language has had to do too long a time.
I use the past arithmetic to make the present
work.
Yet even going from room to room
I walk with arms outstretched.**

To the Class of 1979:

It has been both a great honor and privilege working on this book. It has taken many hours of hard work and dedication to express in 248 pages what the class of 1979 represents.

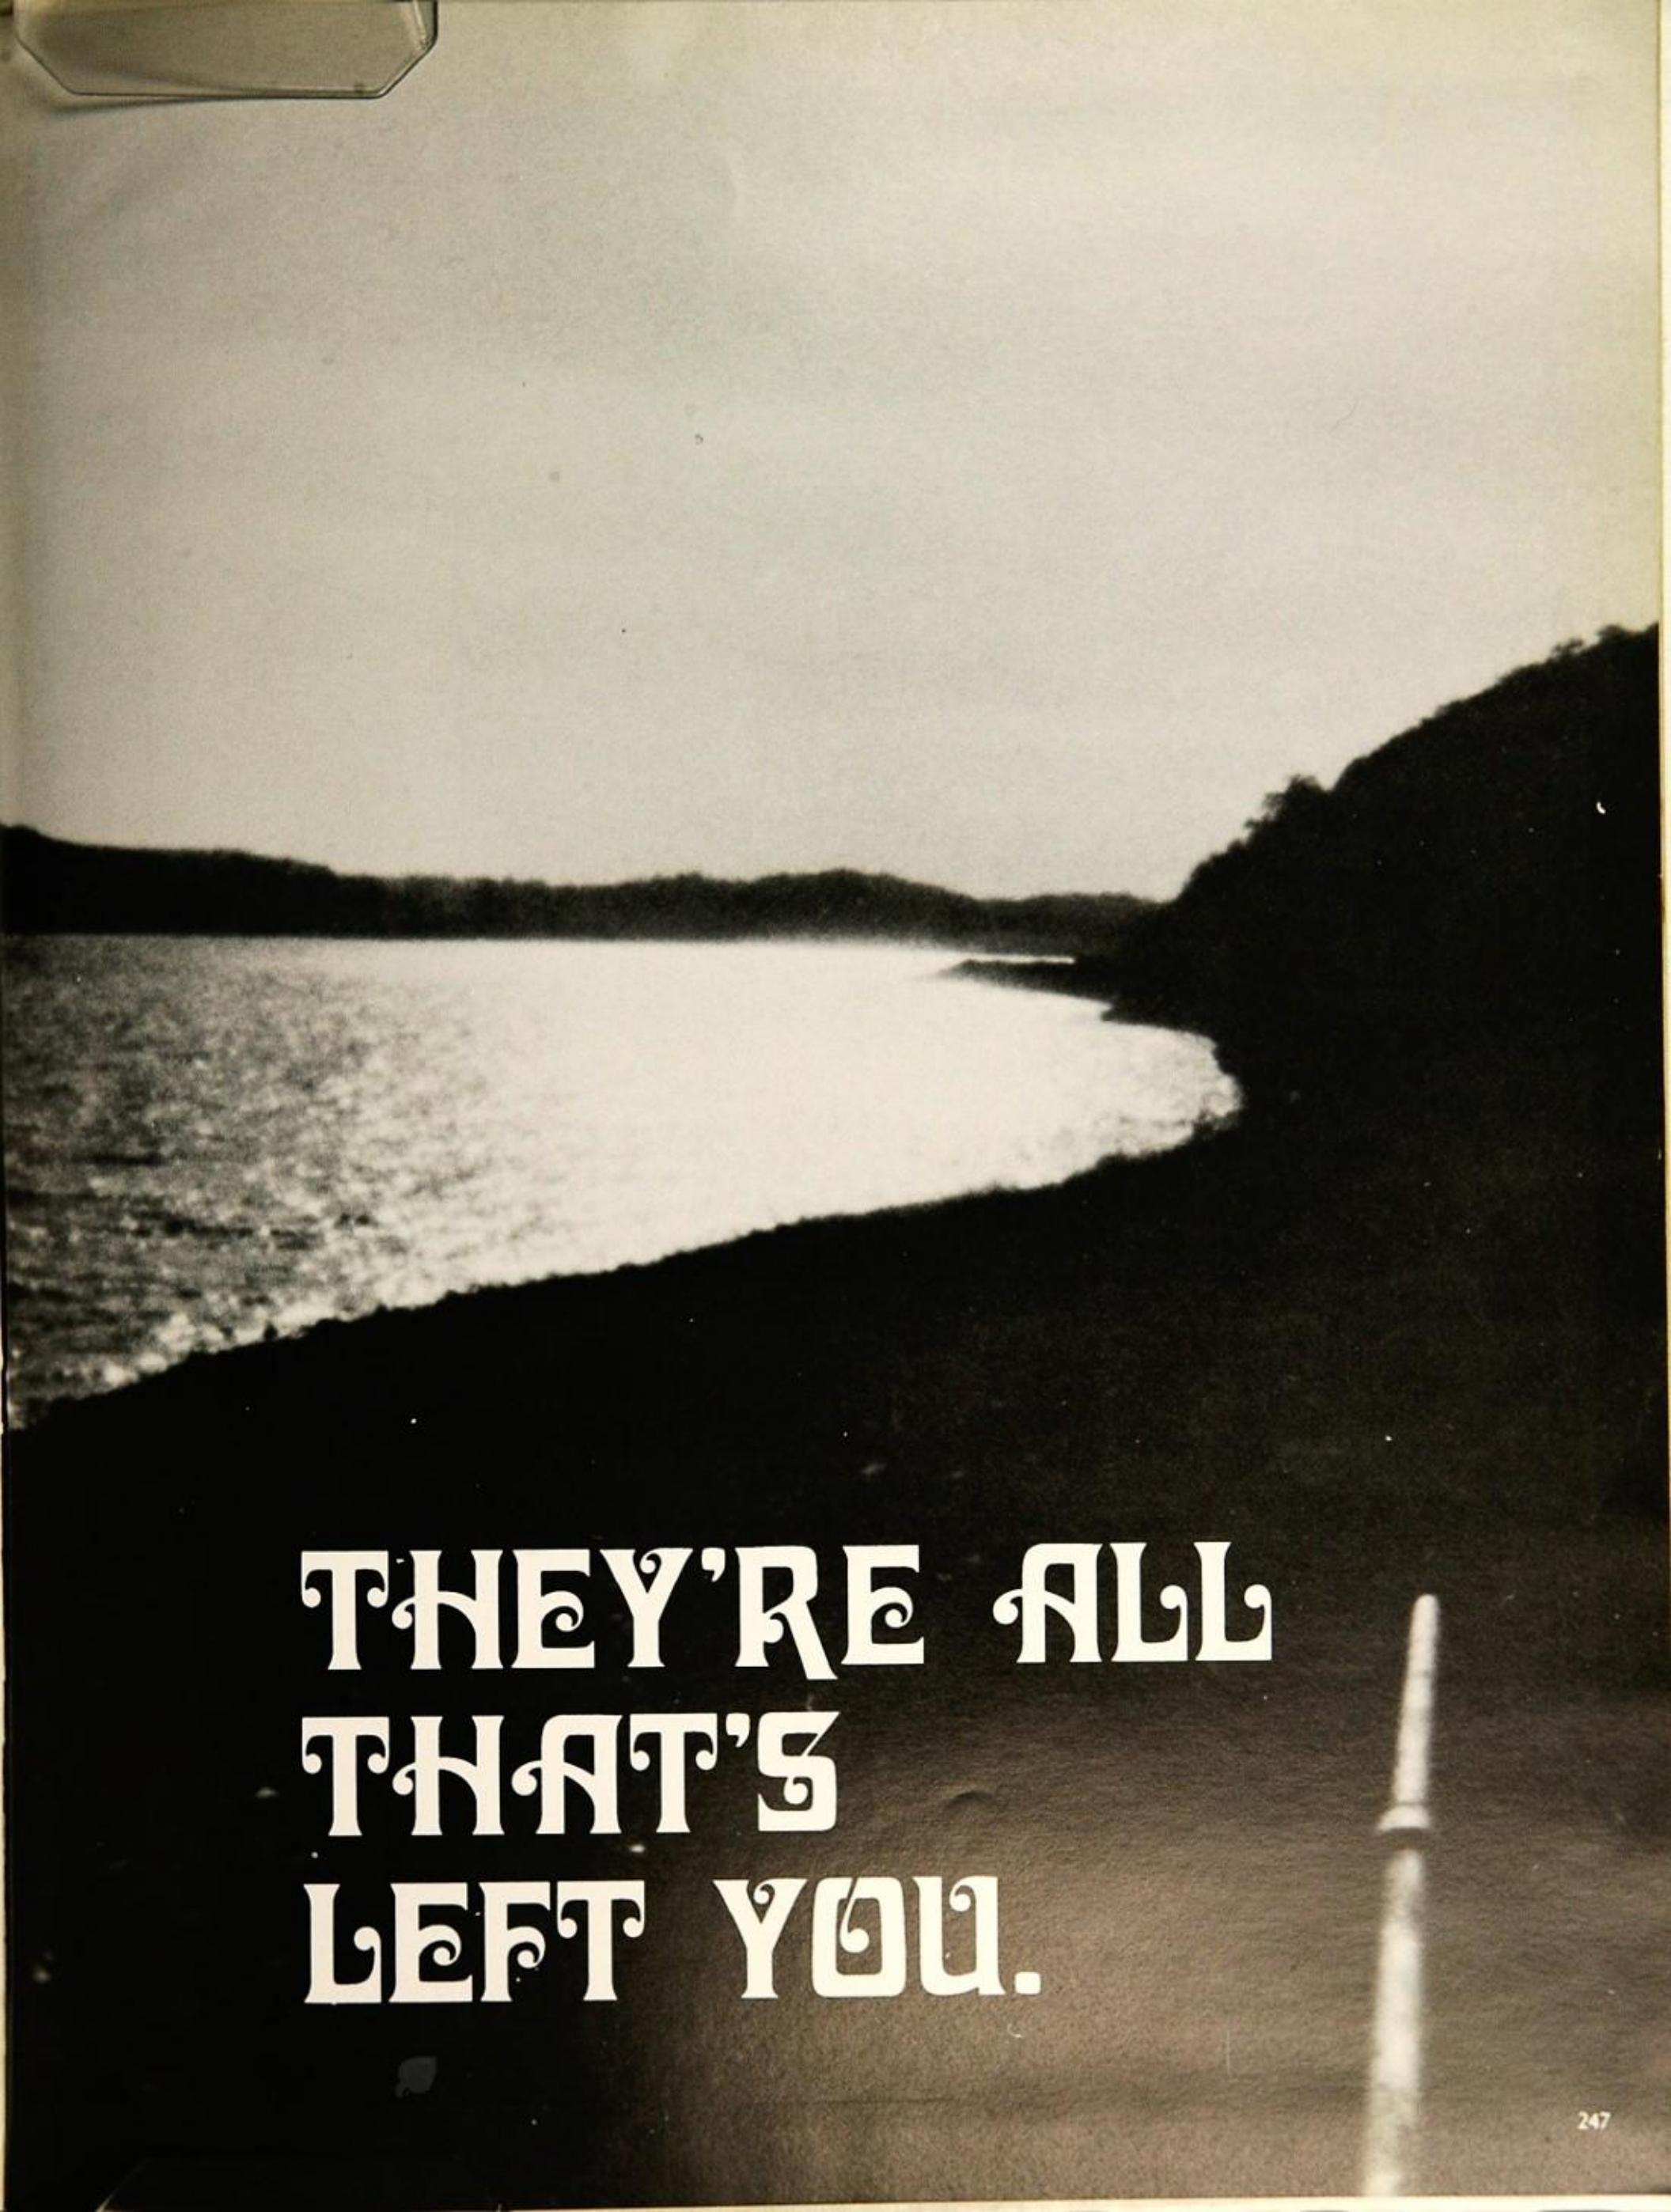

We tried to encompass in this book our past three years at Southington High School, and bring together the memories that will last for many years to come.

We present this book to the Class of 1979 and hope that you will treasure it, as we hold fond memories of putting it together.

We wish you good fortune and prosperity in all your future endeavors.

**Preserve Your
 Memories . . .**

**THEY'RE ALL
THAT'S
LEFT YOU.**

**Time it was,
And what a time it was
It was . . .
A time of innocence,
A time of confidences,
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories,
They're all that's
left you.**
